Agency Events

Members are encouraged to attend major agency events such as Annual General Meetings, Annual M2/W2 Dinners, Benefit Concerts, etc. These inspirational events help to support the ministry financially, and they enable members to fellowship with staff, board, volunteers and other members.

Ministry Involvement

Members have a very unique and valuable role in the ministry of M2/W2. While they may not all be volunteers, they are committed to ongoing support of the ministry through prayer and financial support.
